

The NSW Adult Literacy & Numeracy Council Inc

## Membership 2025

### Join your professional organisation

The NSW Adult Literacy & Numeracy Council Inc is the peak professional organisation for practitioners of adult English language, literacy & numeracy in NSW. We welcome as members all those working, studying or interested in the field of adult literacy and numeracy education.

#### The Council

- promotes forums which keep practitioners informed of the latest teaching practices, theories, discussions and debates affecting adult English language, literacy and numeracy teaching
- assists individual and organisational members with queries relating to adult literacy and numeracy education
- lobbies government and draws media attention to assist both practitioners and adult learners involved in literacy and numeracy education where necessary eg. funding priorities, access to provision.
